

MANUFACTURERS OF PIPE FITTINGS

Buy America Certification

To Whom it May Concern:

Billco Corporation certifies that the products below meet the requirements of the Buy America Act (Title 23 U.S. Code § 313.Buy America), which requires that steel, iron, and manufactured products used in certain federally-funded transportation projects be produced in the United States.

Description of Materials:

Steel Hex & Face Bushings
Steel Hex & Round Caps
Steel Square Head & Hex Head Plugs
Alloy Steel Socket Plugs
Steel Merchant, Extra Heavy, Taper Tapped, Line Pipe, and Water Well R&D Couplings
Cast Iron Square Head & Square Socket Plugs
Brass Bushings, Caps, and Plugs

In submitting this certification, Billco certifies that all manufacturing processes for steel and/or iron occurred in the United States.
